

HIGHWOOD-SHONKIN-SQUARE BUTTE GEOLOGY-HISTORY 2019 BUS TOUR

We are again offering a geology-history bus tour this year. Please consider joining us and let your friends and any interested folks know the date is **Saturday, July 6th 2019**.

Geological Engineer Chris Croff will be sharing his knowledge of the geology of the Highwood-Shonkin, Lost Lake, Square Butte and Highwood Mountain areas. Noted local historian Ken Robison will share related history. We will try to find the Lost Lake, make several short stops at interesting geological sites, and enjoy the novelties and good lunch at the Square Butte Country Club.

It all starts at the Highwood Park south of the school at 9 a.m. and we hope to return by 6:30 p.m. The tour includes some short walks but one could choose not to walk and still have an enjoyable day. Cost is \$40 for adults and \$35 for students, Due to "no shows" in the past we are asking for the money to be sent to us with your registration. To avoid empty seats we encourage you to find another a person to take your place if you learn you cannot attend after registering. Refunds will be made if, and only if, you are able to fill your seat, or if we have someone on a waiting list that can fill it.

Tour transportation (air conditioned charter tour bus), lunch, en route refreshments and snacks are included in the price.

Attached is a registration form to return us via USPS. For additional information please email or call Ron or Pat at 406 733-5321, or send a note to:
