Superintendent's Message

Dear Highwood School Families, Community Members, and Friends,

February marks another busy month here at Highwood School. We are excited to celebrate *I Love to Read Month!* Our Student Council has planned a month full of activities to celebrate and promote the love of reading and literacy. We will have three HEART (Hold Everything and Read Together) days where our elementary students will be paired with high school and middle school students to read together. We will also be having guest readers visit our elementary classrooms to share their favorite books. Along with this, all students and staff are invited to participate in dress-up days every Tuesday throughout the month. In the spirit of *I Love to Read Month*, I encourage families to find opportunities to celebrate reading and literacy at home with your child. There are many advantages to reading together, including strengthening bonds, improving comprehension, encouraging a love of reading, boosting imagination and creativity, and creating memories. Reading together can be a valuable time to enhance literacy skills. Some ideas to make reading a part of your time at home include reading a story at night, visiting a bookstore or library, listening to an audiobook on the drive to school or to the ski hill, reading a recipe and cooking together, building a reading fort on a cold, winter day, and so much more.

In addition to promoting literacy, I want to take this halfway point in the year to remind everyone about the importance of creating and continuing to build a safe and supportive school environment. We encourage our students each and every day to be HIGHWOOD STRONG and to show this by taking a stand to be responsible, wise, respectful, safe, and kind. I invite parents and families to take a moment to discuss the meaning of this motto, helping us strengthen our school community together. By reinforcing these values at home and at school, we can continue to build a positive, supportive environment where every student feels empowered to succeed.

Lastly, our high school basketball teams are working towards the end of the regular season and tournament time! Our last high school home game, and senior night will be held on Friday, February 14th. Tournaments will be February 19th to February 22nd. The Boys Team will be playing in the District 8C Tournament in Lewistown, while the Girls team will be playing in the District 9C Tournament in Havre. We want to wish our student-athletes and coaches good luck as they head into tournament season. Starting in February, our middle school basketball teams will be starting practice and games as well. Be sure to check out the schedule below and cheer on our Mountaineers!

As we welcome February, let's all take this opportunity to renew our focus and strengthen our commitment to our tradition of excellence at Highwood School. Thank you for your continued support. I look forward to all that we will accomplish together in the month ahead!

Sincerely,

Ms. Brianna Bowman

Superintendent of Highwood School
